Upon verification that the person is a dependent of an agent within the scope of the provisions of article 1, first paragraph, and processing of the official request, the government of the receiving State shall inform the diplomatic mission of the sending State that the dependent is eligible for gainful occupation.

2. The procedures followed shall be applied in a way that enables the beneficiary of the authorisation to engage in a gainful occupation as soon as possible. All requirements relating to work permits and any other similar formalities shall be favourably applied.

3. Authorisation for the beneficiary to engage in a gainful occupation shall not imply exemption from any legal or other requirements relating to personal characteristics, professional or other qualifications that the individual concerned must demonstrate in engaging in a gainful occupation. Recognition by the Parties of any diploma, qualification, scientific or professional degree shall be done in accordance with the legislation of the receiving State or bilateral / multilateral agreements to which the sending and receiving State are party.

In cases where a beneficiary of the authorisation to engage in a gainful occupation enjoys immunity from the criminal jurisdiction of the receiving State, in accordance with the provisions of the aforementioned Vienna Conventions or of any other applicable international instrument:

a) the sending State shall waive the immunity from criminal jurisdiction enjoyed by the beneficiary of the authorisation with regard to the receiving State in respect of any act or omission arising from the gainful occupation, except in special instances where the sending State considers that such a waiver could be contrary to its own interests;

b) such a waiver of immunity from criminal jurisdiction shall not be construed as extending to immunity from execution of the sentence, for which a specific waiver shall be required. In the case of such a request, the sending State shall give serious consideration to the request of the receiving State.

### **ARTICLE 5**

#### **Taxation and social security regimes**

In accordance with the provisions of the aforementioned Vienna Conventions or of any other applicable international instrument, beneficiaries of the authorisation to engage in a gainful occupation shall be subject to the taxation and social security regimes of the receiving State for all matters connected with their gainful occupation in that State.
