The Borrower's right to draw down from the Available Amount shall become effective on the Effective Date and shall terminate on the Last Availability Date or such later date as the Bank may establish after receipt of a prior written request from the Borrower (which request shall, where there is a Guarantee Agreement, be countersigned by the Guarantor). The Bank shall promptly notify the Borrower of any such later date.

(b) **Applications for Drawdowns**

(i) In order to make a Drawdown, a drawdown application shall be submitted to the Bank by the Borrower's Authorised Representative or a person designated by the Borrower's Authorised Representative. (ii) Except for the last Drawdown or unless the Bank shall otherwise agree, Drawdowns shall be made in amounts of not less than the Minimum Drawdown Amount.

(c) **Currency of Drawdowns**

Drawdowns shall be made in the Loan Currency in an amount equivalent to the expenditures to be financed out of the proceeds of the Loan. In the case of expenditures incurred in a Currency or Currencies other than the Loan Currency, the equivalent Drawdown amount shall be determined as follows:

provided that if, for any reason, the Relevant Market Interest Rate cannot be determined at such time by reference to the Reference Page, the Relevant Market Interest Rate shall be the rate per annum which the Bank determines to be the arithmetic mean (rounded upward, if necessary, to four decimal places) of the offered rates per annum for deposits in the Loan Currency in an amount comparable to the portion of the Loan subject to a Variable Interest Rate scheduled to be outstanding during the relevant Interest Period for a period equal to such Interest Period which are quoted to leading banks in, as applicable, the London interbank market (for USD or £) or Euro-zone interbank market (for Euro) as advised to the Bank by at least two major banks active in, as applicable, the London interbank market (for USD or £) or Euro-zone interbank market (for Euro) selected by the Bank and provided further that if pursuant to the above the Relevant Market Interest Rate would be below zero, the Relevant Market Interest Rate will be deemed to be zero.

(b) If the Loan is subject to a Variable Interest Rate, interest on the Loan shall be determined and payable as follows:

(i) The principal amount of the Loan from time to time drawn down and not repaid shall bear interest during the relevant Interest Period at the Variable Interest Rate calculated in accordance with this Section.

(ii) Interest shall accrue from and including the first day of an Interest Period to but excluding the last day of such Interest Period, be calculated on the basis of the actual number of days elapsed and a 360-day year (unless the Loan Currency is Pounds, in which case it shall be calculated on the basis of a 365-day year) and be due and payable on the Interest Payment Date which is the last day of the relevant Interest Period.

(iii) The Variable Interest Rate shall be the sum of the Margin and, subject to Section 3.13, the Relevant Market Interest Rate specified in Section 3.04(a).

(iv) On each Interest Determination Date, the Bank shall determine the Variable Interest Rate applicable to the relevant Interest Period and promptly give notice thereof to the Borrower and the Guarantor.

(c) Notwithstanding the foregoing, if so provided for in the Loan Agreement, the Borrower may, as an alternative to paying interest at a Variable Interest Rate on all or any portion of the Loan then outstanding, elect to pay interest at a Fixed Interest Rate on such portion of the Loan, as follows:

(i) The Borrower may only exercise such option if:

(A) at the time of exercise no event specified in Section 7.01 below (and no event which with notice and/or lapse of time would become such an event) and no Market Disruption Event has occurred and is continuing; and

(B) the principal amount of the Loan which is being converted from a Variable Interest Rate to a Fixed Interest Rate is not less than the equivalent in the Loan Currency of Euro 5,000,000.

(ii) The Borrower shall exercise such option by notice to the Bank not less than five Business Days prior to the proposed Interest Fixing Date. Such notice shall, unless the Bank otherwise agrees, be irrevocable and shall specify the Interest Fixing Date and the Interest Conversion Period selected by the Borrower and the principal amount of the Loan to be converted to a Fixed Interest Rate.

(iii) Commencing on the Interest Conversion Date, the portion of the Loan being converted (as specified in the Borrower's notice) shall be subject to a Fixed Interest Rate. For purposes of Section 3.04(d), the Relevant Market Interest Rate shall be the forward fixed interest rate for the Loan Currency which is available to the Bank in the interest rate swap market on such Interest Fixing Date for such Interest Conversion Period, taking into account the principal repayment and interest payment schedules for the Loan, as such sum may be adjusted to take into account the creditworthiness of the Borrower. The Bank shall determine the

Fixed Interest Rate on such Interest Fixing Date and promptly give notice thereof to the Borrower and the Guarantor.

(iv) The Bank may at any time elect to consolidate all Fixed Interest Rates then applicable to portions of the Loan into a single Fixed Interest Rate equal to the weighted average of the Fixed Interest Rates then applicable to portions of the Loan. The Bank shall determine such consolidated Fixed Interest Rate and promptly give notice thereof to the Borrower. Such consolidated Fixed Interest Rate shall be applicable to all portions of the Loan then bearing interest at Fixed Interest Rates commencing on the Interest Payment Date immediately following the notice from the Bank to the Borrower.

(d) If the Loan is subject to a Fixed Interest Rate, interest on the Loan shall be payable as follows:

(i) The principal amount of the Loan from time to time drawn down and not repaid shall bear interest during the relevant Interest Period at the Fixed Interest Rate calculated in accordance with this Section.

(ii) Interest shall accrue from and including the first day of an Interest Period to but excluding the last day of such Interest Period, be calculated on the basis of the actual number of days elapsed and a 365-day year and be due and payable on the Interest Payment Date which is the last day of the relevant Interest Period.

(iii) The Fixed Interest Rate shall be the sum of the Margin and the Relevant Market Interest Rate specified either in the Loan Agreement or, where the Fixed Interest Rate is established pursuant to Section 3.04(c) at a date which is later than the date of the Loan Agreement, in the notice from the Bank to the Borrower and the Guarantor issued in accordance with Section 3.04(c)(iii).

Section 3.05. Commitment Charge and Front-End Commission

(a) The Borrower shall pay to the Bank a commitment charge at the rate specified in the Loan Agreement, payable on the total of the Available Amount plus any amount of the Loan that is subject to a Reimbursement Commitment and is not yet drawn down, provided that the Commitment Charge payable on the amount of the Loan subject to an unconditional Reimbursement Commitment shall be 0.5% per annum greater than the rate of the Commitment Charge specified in the Loan Agreement. The Commitment Charge shall accrue from the date sixty (60) days after the date of the Loan Agreement or, in the case of Commitment Charge payable on the amount of the Loan subject to an unconditional Reimbursement Commitment, from the date of issuance of such unconditional Reimbursement Commitment, and shall accrue and be calculated on the same basis as interest under Section 3.04(b)(ii). The Commitment Charge shall be payable on each Interest Payment Date (even though no interest may be payable on such date) commencing on the first Interest Payment Date following the Effective Date.

(b) The Borrower shall pay to the Bank a front-end commission equal to one per cent (1%) (or such other amount specified in the Loan Agreement) of the principal amount of the Loan.

(c) Except as otherwise provided in the Loan Agreement, the Bank shall, on behalf of the Borrower, withdraw from the Available Amount on the Effective Date, or within seven (7) days thereafter, and pay to itself the amount of the Front-end Commission payable pursuant to Section 3.05(b).

(d) In the event that the Borrower opts under the Loan Agreement to pay the Front-end Commission out of its own resources, the Front-end Commission shall be due and payable within seven (7) days after the Effective Date.

Section 3.06. Payments by the Borrower

The principal, interest and Charges on the Loan shall be due and payable by the Borrower in the manner and on the dates set forth in the Loan Agreement and shall be paid free and clear of any deductions or withholdings of any kind.

Section 3.07. Prepayment

(a) The Borrower may, on any Interest Payment Date, prepay all or part of the principal amount of the Loan drawn down and not repaid, together with all accrued and unpaid interest and Charges thereon, on not less than thirty (30) Business Days, prior written notice to the Bank, which notice shall be irrevocable and binding on the Borrower.

(b) The Borrower shall pay to the Bank, on the date of prepayment, a prepayment administrative fee of one-eighth of one per cent (0.125%) of the principal amount of the Loan being prepaid.

(c) In the case of partial prepayment, such prepayment:

(i) shall be in an amount at least equal to the lesser of:

(A) the Minimum Prepayment Amount; and

(B) the principal amount of the Loan drawn down and not repaid; and

(ii) shall be:

(A) first, applied to pay interest and Charges on the Loan; and

(B) second, applied pro-rata to the several maturities of the principal amount of the Loan drawn down and not repaid.

Section 3.08. Cancellation

(a) The Borrower may cancel all or part of the Available Amount on any Interest Payment Date on not less than thirty (30) Business Days, prior written notice to the Bank, which notice shall be irrevocable and binding on the Borrower. Such cancellation shall be in an amount at least equal to the lesser of:

- (i) the Minimum Cancellation Amount; and
 - (ii) the Available Amount.
- (b) In the event of any cancellation by the Borrower pursuant to subsection (a) of this Section or by the Bank pursuant to Section 7.02:
- (i) the Borrower shall pay to the Bank, on the date of cancellation, all Charges due and unpaid as of such date, and a cancellation fee of one-eighth of one per cent (0.125%) of the principal amount of the Loan being cancelled, except in respect of amounts cancelled pursuant to Section 7.02(a);
 - (ii) the amount cancelled shall be deducted from the Available Amount outstanding on the date of cancellation; and
 - (iii) the amount cancelled shall be applied pro-rata to the several maturities of the principal amount of the Loan set forth in the amortisation schedule to the Loan Agreement and falling due after the date of such cancellation.

Section 3.09. Default Interest

- (a) If the Borrower fails to pay when due any amount payable by it under the Loan Agreement, the overdue amount shall bear interest at a rate equal to the sum of:
- (i) two per cent (2%) per annum;
 - (ii) the Margin; and
 - (iii) the interest rate per annum offered in, as applicable, the London interbank market (for USD or £) or the Euro-zone interbank market (for Euro), on the Default Interest Determination Date for a deposit in the Loan Currency of an amount comparable to the overdue amount for a period equal to the relevant Default Interest Period or, if or, if a Market Disruption Event has occurred, the rate which expresses as a percentage rate per annum the cost to the Bank of funding the Loan from whatever source the Bank may reasonably select (or at the option of the Bank, the Relevant Market Interest Rate, if available).
- (b) Default interest shall:
- (i) accrue from day to day from the due date to the date of actual payment;
 - (ii) be calculated on the basis of the actual number of days elapsed and a 360-day year (unless the Loan Currency is Pounds, in which case it shall be calculated on the basis of a 365-day year);
 - (iii) be compounded at the end of each Default Interest Period; and
 - (iv) be due and payable forthwith upon demand.

- (c) Each determination by the Bank of the interest rates applicable to overdue amounts and of Default Interest Periods shall be final, conclusive and binding on the Borrower.

Section 3.10. Unwinding Costs

- (a) If, for any reason (including, without limitation, an acceleration pursuant to Section 7.06), any portion of the Loan which is subject to a Variable Interest Rate becomes due and payable on a date other than the last day of an Interest Period, the Borrower shall pay to the Bank on demand the amount, if any, by which:

(1) the interest which would have accrued on such portion of the Loan from the date on which such portion of the Loan has become due and payable to the last day of the then current Interest Period at a rate equal to the Relevant Market Interest Rate for such portion of the Loan for such Interest Period;

exceeds:

(2) the interest which the Bank would be able to obtain if it were to place an amount equal to such portion of the Loan on deposit with a leading bank in, as the case may be, the London interbank market (for USD or £) or Euro-zone interbank market (for Euro) for the period commencing on the date on which such portion of the Loan has become due and payable and ending on the last day of the then current Interest Period.

- (b) If, at any time:

(1) the Borrower gives a notice, pursuant to Section 3.07, of prepayment of any portion of the Loan which is subject to a Fixed Interest Rate or the Borrower otherwise prepays any such portion of the Loan;

(2) any portion of the Loan which is subject to a Fixed Interest Rate is accelerated pursuant to Section 7.06 or otherwise becomes due prior to its stated maturity; or

(3) any portion of the Loan which is subject to a Fixed Interest Rate is cancelled pursuant to Section 3.08, 7.02 or 7.06 or is otherwise cancelled;

the Borrower shall, in addition to any prepayment administrative fee, cancellation fee or other amounts payable in connection therewith, pay to the Bank on demand the amount of any Unwinding Costs; provided that, if the amount of such Unwinding Costs is negative, the Bank shall, on the next Interest Payment Date, credit to the Borrower, in the Loan Currency, the amount of such Unwinding Costs.

- (c) If any overdue amount is paid on a date other than the last day of a Default Interest Period, the Borrower shall pay to the Bank on demand the amount, if any, by which:

(1) the interest which would have accrued on such overdue amount from the date of receipt of such overdue amount to the last day of the then current Default

Interest Period at a rate equal to the rate specified in Section 3.09(a)(iii) for such Default Interest Period;

exceeds:

(2) the interest which the Bank would be able to obtain if it were to place an amount equal to such overdue amount on deposit with a leading bank in, as the case may be, the London interbank market (for USD or £) or Euro-zone interbank market (for Euro) for the period commencing on the date of receipt of such overdue amount and ending on the last day of the then current Default Interest Period.

(d) The Borrower shall forthwith upon notice from the Bank reimburse the Bank for any costs, expenses and losses incurred by the Bank, and not otherwise recovered by the Bank under Sections 3.10(a), 3.10(b) and 3.10(c) as a result of the occurrence of an event specified in Section 7.01 below, a change in the duration of any relevant Interest Period pursuant to Section 3.13(b), a change in the basis for determining the rate of interest pursuant to Section 3.13(c), prepayment of any portion of the Loan on a date other than the last day of an Interest Period, failure by the Borrower to pay any amount when due hereunder, the Bank funding, or making arrangements to fund, a Drawdown requested in a drawdown application submitted pursuant to Section 3.01(b) but not made by reason of the operation of any one or more of the provisions of the Loan Agreement (other than by reason of default or negligence by the Bank, as the case may be) or failure by the Borrower to make any prepayment in accordance with a notice of prepayment delivered pursuant to any provision of the Loan Agreement.

(e) A certificate of the Bank as to any amount payable under this Section 3.10 shall be final, conclusive and binding on the Borrower unless shown by the Borrower to the satisfaction of the Bank to contain manifest error.

Section 3.11. Currency, Form, and Determination of Payments

(a) All payments of principal, interest, Charges and any other amount due to the Bank under the Loan Agreement or the Guarantee Agreement shall be made, without set-off or counterclaim, in the Loan Currency, for value on the due date, at such bank or banks, and in such place or places, as the Bank shall from time to time designate.

(b) If the due date for any payment under the Loan Agreement would otherwise fall on a day which is not a Business Day, then such payment shall instead be due on the next succeeding Business Day and interest (or Commitment Charge, as the case may be) shall continue to accrue for the period from such date to the next succeeding Business Day. Upon request of the Borrower agreed to by the Bank, such payment shall be made on such earlier date as the parties agree.

Section 3.12. Fees and Costs

The Borrower shall bear any professional, banking, transfer or exchange fees and costs incurred by the Bank in the preparation, execution, delivery and registration of the Loan Agreement, the Guarantee Agreement and any Project Agreements and any related document.

Section 3.13. Market Disruption

(a) If a Market Disruption Event occurs, the Bank shall promptly notify the Borrower. If the Bank notifies the Borrower of the occurrence of a Market Disruption Event,

(1) interest shall accrue on any portion of the Loan that is subject to a Variable Interest Rate at a rate equal to the sum of:

(A) the Margin; and

(B) the rate which expresses as a percentage rate per annum the cost to the Bank of funding the Loan from whatever source the Bank may reasonably select (or, at the option of the Bank, the Relevant Market Interest Rate, if available), as notified by the Bank to the Borrower as soon as practicable and in any event before interest is due to be paid in respect of the relevant Interest Period; and

(2) interest shall accrue on any portion of the Loan that is subject to a Fixed Interest Rate at a rate equal to the Fixed Interest Rate determined in accordance with Section 3.04(d), including the Margin;

in each case until the Bank has given notice to the Borrower that the Market Disruption Event has ceased to exist.

(b) If a Market Disruption Event has occurred, the Bank shall have the right, in its discretion, to change the duration of any relevant Interest Period by sending to the Borrower a written notice thereof. Any such change to an Interest Period shall take effect on the date specified by the Bank in such notice.

(c) Notwithstanding Section 3.13(a), if a Market Disruption Event occurs and the Bank or the Borrower so requires, within five Business Days of the notification by the Bank pursuant to Section 3.13(a) above, the Bank and the Borrower shall enter into negotiations (for a period of not more than thirty days) with a view to agreeing a substitute basis for determining the rate of interest applicable to the Loan. Any alternative basis so agreed shall take effect in accordance with its terms and replace the interest rate then in effect pursuant to Section 3.13(a) above. If agreement cannot be reached, the Borrower may prepay the Loan on the next Interest Payment Date in accordance with Section 3.07, but without any prepayment administrative fee.

ARTICLE IV - EXECUTION OF THE PROJECT

Section 4.01. Cooperation and Information

(a) The Bank, the Borrower and the Guarantor shall cooperate fully to ensure that the purposes for which the Loan is made will be accomplished. To that end, the Bank, the Borrower and the Guarantor shall:

(i) from time to time, at the request of any of them, exchange views with regard to the progress of the Project, the purposes for which the Loan is made and the performance of their respective obligations under the Loan Agreement and the Guarantee Agreement, as well as the performance of a Project Entity under any Project Agreement to which it is a party, and any related agreement, and furnish to the other parties all such information related thereto as shall have been reasonably requested; and

(c) The Guarantor shall take no action, nor shall it permit any of its agents or subsidiaries to take any action, that would prevent or interfere with the execution of the Project or with the efficient operation of the Project facilities or the performance of the Borrower's obligations under the Loan Agreement or a Project Entity's obligations under a Project Agreement. The Guarantor shall also ensure that no such action is taken or permitted to be taken by any of its political or administrative subdivisions or any of the entities owned and controlled by, or operating for the account or benefit of, the Guarantor or such subdivisions.

Section 4.02. Responsibilities Relating to Project Execution

(i) cause the relevant Project Entity to perform in accordance with the provisions of such Project Agreement all obligations of the Project Entity therein set forth; and

(ii) not take or permit to be taken any action that would prevent or interfere with such performance.

(c) Without limiting the generality of subsections (a) or (b) above, the Borrower shall take, or cause to be taken, all such action as shall be necessary to acquire as and when needed all such land and rights in respect of land as shall be required for carrying out the Project and shall furnish to the Bank, promptly upon its request, evidence satisfactory to the Bank that such land and rights in respect of land are available for those purposes.

(d) The Borrower shall insure or cause to be insured, or make adequate provision satisfactory to the Bank for the insurance of:

(i) the imported goods to be financed out of the proceeds of the Loan for the Project, against hazards incidental to the acquisition, transportation and delivery thereof to the place of use or installation (and, where applicable, against hazards during the construction period), with the indemnity under such insurance payable in the Currency needed to replace or repair such goods; and

(ii) all other items that are related to the financial or technological viability of the Project and that are within the ownership or control of the Borrower.

(e) The Borrower shall at all times operate and maintain, or cause to be operated and maintained, in good working condition any facilities relevant to the Project and, promptly as needed, make or cause to be made all necessary repairs and renewals thereof.

(f) The Borrower shall cause all goods, works, and services financed out of the proceeds of the Loan to be used exclusively for the purposes of the Project.

Section 4.03. Procurement

Except as the Bank shall otherwise agree, procurement of goods, works and services, including consultants' services, required for the Project and to be financed out of the proceeds of the Loan shall be governed by the EBRD Procurement Rules and the provisions set out in the Loan Agreement.

Section 4.04. Project Records and Reports

(a) The Borrower shall, in respect of those parts of the Project for which the Borrower is directly responsible, as specified in the Loan Agreement:

(i) maintain procedures and records adequate to record and monitor the progress of the Project (including its cost and the benefits to be derived from it), to identify any and all goods, works and services financed out of the proceeds of the Loan and to identify their use in the Project, and make such records available to the Bank's representatives on request of the Bank;

(ii) enable the Bank's representatives, at the Bank's request;

(A) to visit any facilities and construction sites relating to the Project;

(C) for these purposes, to meet and hold discussions with such representatives and employees of the Borrower as the Bank may deem necessary and appropriate;

(iii) furnish to the Bank's representatives all such reports and information as the Bank shall reasonably request concerning the Project, including information on environmental, health, safety and labour matters relating to the Project, its cost and, where appropriate, the benefits to be derived from it, the expenditure of the proceeds of the Loan and any and all goods, works and services financed out of such proceeds;

(iv) without limiting the generality of paragraph (a)(iii) above, except as the Bank shall otherwise agree, furnish or cause to be furnished to the Bank periodic Project reports in a form satisfactory to the Bank and of a frequency specified in the Loan Agreement, indicating among other things the progress made and problems encountered during the period under review, steps taken or proposed to be taken to remedy those problems and the proposed programme of activities and expected progress during the following period; and

(v) furnish or cause to be furnished to the Bank's representatives, promptly upon their preparation, any plans, specifications, reports, contract documents and construction and procurement schedules for the Project, and any material modifications thereof or additions thereto, in such detail as the Bank shall reasonably request.

(ii) the full amount of the Loan has been either drawn down or cancelled, but in any event not later than six months after the Last Availability Date or such later date as the Bank may agree;

the Borrower shall prepare and furnish to the Bank a report, in a form satisfactory to the Bank and of such scope and in such detail as the Bank shall reasonably request, on the execution and initial operation of the Project, including information on environmental, health, safety and labour matters relating to the Project, its cost and the benefits derived and to be derived from it, the performance by the Borrower and the Bank of their respective obligations under the Loan Agreement and the accomplishment of the purposes of the Loan.

ARTICLE V - FINANCIAL AND OPERATIONAL COVENANTS

Section 5.01. Negative Pledge

(a) The Member undertakes to ensure that no other External Debt of the Member shall have priority over the Loan in the allocation, realisation or distribution of foreign exchange held under the control or for the benefit of the Member. If any Lien shall be created on any Public Assets as security for any External Debt which will or might result in a priority for the benefit of the creditor of such External Debt in the allocation, realisation or distribution of foreign exchange, such Lien shall, unless the Bank shall otherwise agree, ipso facto, and at no cost to the Bank, equally and rateably secure the principal of, and interest and Charges on, the Loan, and the Member, in creating or permitting the creation of such Lien, shall make express provision to that effect; provided, however, that, if for any constitutional or other legal reason such provision cannot be made with respect to any Lien created on Assets of any of its political or administrative subdivisions, the Member shall promptly and at no cost to the Bank secure the principal of, and interest and Charges on, the Loan by an equivalent Lien on other Public Assets satisfactory to the Bank.

(b) The Borrower undertakes that, except as the Bank shall otherwise agree:

- (i) if the Borrower creates any Lien on any of its Assets as security for any debt, such Lien will equally and rateably secure the payment of the principal amount of, and interest and Charges on, the Loan, and in the creation of any such Lien express provision will be made to that effect, at no cost to the Bank; and
- (ii) if any statutory Lien is created on any assets of the Borrower as security for any debt, the Borrower shall grant at no cost to the Bank an equivalent Lien satisfactory to the Bank to secure the payment of the principal amount of, and interest and Charges on, the Loan.

(c) The foregoing undertakings shall not apply to:

- (i) any Lien created on property, at the time of purchase thereof, solely as security for the payment of the purchase price of that property or as security for the payment of debt incurred for the purpose of financing the purchase of such property; or
- (ii) any Lien arising in the ordinary course of banking transactions and securing a debt maturing not more than one year after its date.

Section 5.02. Reporting

(a) The Member shall furnish to the Bank all such information as the Bank may reasonably request:

- (i) in respect of financial and economic conditions in the territory of the Member, including the Member's balance of payments and External Debt, as well as the External Debt of its political or administrative subdivisions, and of any entity owned or controlled by, or operating for the account or benefit of, the Member or any such subdivision, and of any institution performing the functions of a central bank or exchange stabilisation fund, or similar functions, for the Member; and

 - (ii) the Loan Agreement, the Guarantee Agreement and any related document to which these Standard Terms and Conditions apply shall be free from any and all Taxes levied by, or in the territory of, the Member on or in connection with the execution, delivery or registration thereof.
- (b) The proceeds of the Loan shall not be drawn down on account of payments for any Taxes levied by, or in the territory of, the Member.

(c) The Bank may, by notice to the Borrower, increase or decrease the percentage of expenditures to be financed from any Category as may be required to be consistent with paragraph (b) of this Section.

Section 6.02. Restrictions on Payment

The Member shall ensure that the principal amount of, and interest and Charges on, the Loan are paid without restrictions of any kind imposed by, or in the territory of, the Member.

ARTICLE VII - SUSPENSION AND CANCELLATION; ACCELERATION OF MATURITY

Section 7.01. Suspension

(a) If any of the following events shall have occurred and be continuing, the Bank may, by notice to the Borrower and the Guarantor, suspend, in whole or in part, the right of the Borrower to make Drawdowns under the Loan:

(i) the Borrower shall have failed to make payment (notwithstanding the fact that such payment may have been made by the Guarantor or by a third party) of principal or interest or any other amount due to the Bank under:

(A) the Loan Agreement;

(B) any other loan or guarantee agreement between the Bank and the Borrower; or

(C) any reimbursement or similar obligation of the Borrower arising out of any guarantee or other financing of any kind provided by the Bank to any third party;

(ii) the Guarantor shall have failed to make payment of principal, interest or any other amount due to the Bank under:

- (iv) any Project Entity shall have failed to perform any of its obligations under a Project Agreement;
- (v) the Bank shall have suspended, in whole or in part, the right of the Borrower or the Guarantor to make applications for Drawdowns under any other loan agreement with the Bank because of a failure by the Borrower or the Guarantor to perform any of its obligations under such agreement or any guarantee agreement with the Bank;
- (vi) an extraordinary situation shall have arisen as a result of events which have occurred after the date of the Loan Agreement which shall make it improbable that the Project can be carried out or that the Borrower or Guarantor will be able to perform its obligations under the Loan Agreement or the Guarantee Agreement;
- (vii) Drawdowns are prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations;
- (viii) the Member shall have been suspended from membership in the Bank, or shall have ceased to be a member of the Bank, or shall have delivered to the Bank a notice to withdraw from such membership;

 - (B) Subject to sub-paragraph (C) below: (X) the right to withdraw the proceeds of the Co-financing has been suspended, cancelled or terminated in whole or in part, pursuant to the terms of the Co-financing Agreement; or (Y) the Co-financing has become due and payable prior to its agreed maturity; or

(C) Sub-paragraph (B) of this paragraph shall not apply if the Borrower, the relevant Project Entity or the Guarantor establish to the satisfaction of the Bank that: (X) such suspension, cancellation, termination or prematuring was not caused by the failure of the recipient of the Co-financing to perform any of its obligations under the Co-financing Agreement; and (Y) adequate funds for the Project are available from other sources on terms and conditions consistent with the obligations of the Borrower, the relevant Project Entity and the Guarantor under the Loan Agreement, the relevant Project Agreement and the Guarantee Agreement;

(xi) if the Borrower is not a member of the Bank, any material adverse change in the condition of the Borrower from that represented by the Borrower as of the date of the Loan Agreement shall have occurred prior to the Effective Date;

(xiv) any event specified in Section 7.06(c), 7.06(d) or 7.06(e) shall have occurred;

(xv) the Bank shall have suspended or otherwise modified access to Bank resources by the Member pursuant to a decision of the Board of Governors of the Bank under Article 8.3 of the Agreement Establishing the Bank;

(xvi) the Borrower, or any Project Entity, or any of their respective officers, employees, agents or representatives shall have been found by a judicial process or other official enquiry to have engaged in any Prohibited Practice; or

(xvii) any other event specified in the Loan Agreement for the purposes of this Section shall have occurred.

(b) The right of the Borrower to make Drawdowns shall continue to be suspended in whole or in part, as the case may be, until the event or events which gave rise to suspension shall have ceased to exist, unless the Bank shall have notified the Borrower that the right to make Drawdowns has been restored; provided, however, that the right to make Drawdowns shall be restored only to the extent and subject to the conditions specified in such notice, and no such notice shall affect or impair any right, power or remedy of the Bank in respect of any other subsequent event described in this Section.

Section 7.02. Cancellation by the Bank

- (a) If at any time the Bank determines, after consultation with the Borrower and the Guarantor, that an amount of the Loan will not be required to finance costs of the Project to be financed out of the proceeds of the Loan, the Bank may, by notice to the Borrower and the Guarantor, cancel such amount of the Loan. On the Last Availability Date, any remaining Available Amount shall be cancelled automatically.
- (b) If the right of the Borrower to make Drawdowns of any part of the Loan shall have been suspended for a continuous period of thirty (30) days, the Bank may, by notice to the Borrower and the Guarantor, cancel such amount of the Loan.
- (c) If at any time the Bank determines that:
 - (i) the procurement of any item is inconsistent with the procedures set forth or referred to in the Loan Agreement and the Bank establishes the amount of expenditures in respect of such item that would otherwise have been eligible for financing out of the proceeds of the Loan; or
 - (ii) funds drawn down under the Loan have been used for purposes other than those provided for under the Loan Agreement and the Bank establishes the amount so used; or
 - (iii) with respect to any contract to be financed in full or in part from the proceeds of the Loan, any representative of the Borrower, any Project Entity or any other beneficiary of the Loan has engaged in any Prohibited Practice during the procurement or execution of such contract, without the Borrower or the Guarantor having taken timely and appropriate action satisfactory to the Bank to remedy the situation, and the Bank establishes the amount of expenditures in respect of such contract which would otherwise have been eligible for financing out of the proceeds of the Loan;

the Bank may, by notice to the Borrower and the Guarantor, cancel the equivalent of such amount of the Loan. Such cancellation shall take effect when notice is given.

- (d) If at any time the Bank determines that any representative of the Borrower, any Project Entity or any other beneficiary of the Loan has been found by a judicial process or other official enquiry to have engaged in any Prohibited Practice, the Bank may, by notice to the Borrower and the Guarantor, cancel all or part of the Loan. Such cancellation shall take effect when notice is given.

Section 7.03. Unconditional Reimbursement Commitment Unaffected by Suspension or Cancellation

No cancellation or suspension shall apply to amounts subject to an unconditional Reimbursement Commitment entered into by the Bank pursuant to Section 3.02(c) except as expressly provided in such commitment.

Section 7.04. Obligations of the Borrower and the Guarantor

Notwithstanding any cancellation or suspension, all the provisions of the Loan Agreement and the Guarantee Agreement shall continue in full force and effect except as specifically provided herein.

Section 7.05. Cancellation of Guarantee

If the Borrower shall have failed to make payment of principal or interest or any other payment required under the Loan Agreement (otherwise than as a result of any act or omission of the Guarantor) and such payment shall have been made by the Guarantor, the Guarantor may, after consultation with the Bank, by notice to the Bank and the Borrower, terminate its obligations under the Guarantee Agreement in respect of any amount of the Loan that has not been drawn down prior to the date of receipt of such notice by the Bank and is not subject to any unconditional Reimbursement Commitment issued by the Bank pursuant to Section 3.02(b). Upon receipt of such notice by the Bank, the Guarantor's obligations in respect of such amount shall terminate.

Section 7.06. Events of Acceleration

If any of the following events shall have occurred and shall be continuing for the period specified below, then at any time during the continuance of that event the Bank may, by notice to the Borrower and the Guarantor, cancel the Loan and declare the principal amount of the Loan then outstanding to be due and payable immediately, together with the interest and Charges thereon, and upon any such declaration such principal amount, together with such interest and Charges, shall become due and payable immediately:

- (a) Any event specified in Section 7.01(a)(i) or 7.01(a)(ii) shall have occurred and shall have continued for fifteen (15) days from the date of such event.
- (b) Any event specified in Section 7.01(a)(iii) or 7.01(a)(iv) shall have occurred and shall have continued for thirty (30) days after notice thereof shall have been given by the Bank to the Borrower and the Guarantor.
- (c) Any External Debt of the Borrower or the Guarantor is declared to be due and payable prior to its specified maturity.
- (d) The Borrower (if not a member of the Bank) or any Project Entity shall have become unable to pay its debts as they mature or any action or proceeding shall have been taken by the Borrower or any Project Entity or others whereby any of the Assets of the Borrower or any Project Entity shall or may be distributed among its creditors.
- (e) Any authority or entity having jurisdiction or Control over the Borrower or any Project Entity shall have taken any action for the dissolution or disestablishment, or the suspension of operations, of the Borrower (if not a member of the Bank) or any Project Entity.

(f) Any other event specified in the Loan Agreement for the purposes of this Section shall have occurred and shall have continued for the period, if any, specified in the Loan Agreement.

ARTICLE VIII - ENFORCEABILITY; DISPUTE RESOLUTION

Section 8.01. Enforceability

The rights and obligations of the parties to the Loan Agreement, the Guarantee Agreement and each Project Agreement shall be valid and enforceable in accordance with their terms notwithstanding any local law to the contrary. No party to either such agreement shall be entitled under any circumstances to assert any claim that any provision of either such agreement is invalid or unenforceable for any reason.

Section 8.02. Obligations of the Guarantor

The obligations of the Guarantor under the Guarantee Agreement shall not be discharged except by performance and then only to the extent of such performance. Such obligations shall not be subject to any prior notice to, demand upon, or action against the Borrower or any Project Entity or to any prior notice to or demand upon the Guarantor in respect of any default by the Borrower or any Project Entity, and shall not be impaired by any of the following: any extension of time, forbearance or concession given to the Borrower or any Project Entity; any assertion of, or failure to assert, or delay in asserting, any right, power or remedy against the Borrower or any Project Entity or in respect of any security for the Loan; any modification or amplification of the provisions of the Loan Agreement or any Project Agreement contemplated by the terms thereof; or any failure of the Borrower or any Project Entity to comply with any requirement of any law, regulation or order of the Guarantor or of any political subdivision or agency of the Guarantor.

Section 8.03. Failure to Exercise Rights

No delay in exercising, or omission to exercise, any right, power or remedy accruing to either party under the Loan Agreement, the Guarantee Agreement or any Project Agreement upon any default shall impair any such right, power or remedy or be construed to be a waiver thereof or an acquiescence in such default; nor shall the action of such party in respect of any default, or any acquiescence in any default, affect or impair any right, power or remedy of such party in respect of any other or subsequent default.

Section 8.04. Dispute Resolution

(a) The parties to the Loan Agreement, the Guarantee Agreement and each Project Agreement shall endeavour to settle amicably any dispute or controversy between any one or more of them and the Bank arising out of such agreements or the breach, termination or invalidity thereof or otherwise in connection therewith. To this end, at the initiative of any party to any such agreement, the other party or parties shall meet promptly with the initiating party to discuss any such dispute or controversy and, if requested by the initiating party in writing, shall reply in writing to any written submission made by the initiating party concerning any such dispute or controversy.

(b) If any such dispute or controversy, or any claim relating thereto, cannot be amicably settled as provided for in subsection (a) within sixty (60) days of the date on which the request for a meeting is made as referred to in subsection (a), such dispute or controversy, or claim relating thereto shall be settled by arbitration in accordance with the UNCITRAL Arbitration Rules in force as at the date of these Standard Terms and Conditions, subject to the following:

(i) The number of arbitrators shall be three (3).

(ii) The appointing authority for the purposes of the UNCITRAL Arbitration Rules shall be the Secretary-General of the Permanent Court of Arbitration.

(iii) Where there are multiple claimants and/or multiple respondents to any dispute or controversy or claim relating thereto, to which this Section 8.04 (b) shall apply, the reference to “party” in Articles 7.1 and 7.2 of the UNCITRAL Arbitration Rules shall be construed as a reference to any such multiple claimants, acting jointly and/or (as applicable) to any such multiple respondents, acting jointly. Where the Secretary-General of the Permanent Court of Arbitration is to appoint an arbitrator, the Secretary-General of the Permanent Court of Arbitration shall be at liberty to choose any person he/she regards as suitable to act as arbitrator pursuant to Articles 7.2 and/or 7.3 of the UNCITRAL Arbitration Rules.

(iv) The place of arbitration shall be The Hague.

(v) The language to be used in the arbitral proceedings shall be English.

(vi) The law to be applied by the arbitral tribunal shall be public international law, the sources of which shall be taken for these purposes to include:

(A) the Agreement Establishing the Bank and any relevant treaty obligations that are binding reciprocally on the parties;

(B) the provisions of any international conventions and treaties (whether or not binding directly as such on the parties) generally recognised as having codified or ripened into binding rules of customary law applicable to states and international financial institutions, as appropriate;

(C) other forms of international custom, including the practice of states and international financial institutions of such generality, consistency and duration as to create legal obligations; and

(D) applicable general principles of law.

(vii) Notwithstanding the provisions of the UNCITRAL Arbitration Rules, the arbitral tribunal shall not be authorised to take any interim measures of protection or provide any pre-award relief against the Bank and none of the parties to the Loan Agreement, the Guarantee Agreement or any Project Agreement may address to any judicial authority a request for any interim measures of protection or pre-award relief against the Bank.

(viii) The arbitral tribunal shall have authority to consider and include in any proceeding, decision or award any dispute or controversy properly brought before it by the Bank, the Borrower, the Guarantor or any Project Entity insofar as such dispute or controversy arises out of the Loan Agreement, the Guarantee Agreement or any Project Agreement; but subject to the foregoing no other parties or other disputes shall be included in, or consolidated with, the arbitral proceedings.

(c) Notwithstanding the provisions of this Section, nothing contained in these Standard Terms and Conditions or in the Loan Agreement, the Guarantee Agreement or any Project Agreement shall operate or be regarded as a waiver, renunciation or other modification of any immunities, privileges or exemptions of the Bank under the Agreement Establishing the Bank, under international conventions or under any applicable laws.

(d) In any arbitral proceeding arising out of the Loan Agreement, the Guarantee Agreement or any Project Agreement, the certificate of the Bank as to any amount due to the Bank under such agreement shall be prima facie evidence of such amount.

Section 9.04. Termination for Failure to Become Effective

If the Loan Agreement shall not have become effective by the date specified in the Loan Agreement for the purposes of this Section, all obligations of the Bank under the Loan Agreement, the Guarantee Agreement and each Project Agreement shall terminate unless the Bank, after consideration of the reasons for the delay, shall establish a later date for the purposes of this Section. The Bank shall promptly notify the Borrower and the Guarantor of such later date.

Section 9.05. Termination on Performance

When the entire principal amount of the Loan shall have been repaid and all interest and Charges which shall have accrued or become due on the Loan shall have been paid, the Loan Agreement, the Guarantee Agreement and each Project Agreement, and all obligations of the parties thereunder, shall forthwith terminate.
